WORKING GROUP ON NETWORK AND MEMBERSHIP

**THE WORKING GROUP ON NETWORK AND MEMBERSHIP FOCUSES ON
EXPANDING PARTNERSHIPS, FOSTERING A SPIRIT OF HEALTHY COLLABORATION,
AND CREATING A SENSE OF VALUE AND INCLUSIVITY AMONG MEMBERS.**

AIMS & GOALS

01

Expanding Partnership:

The primary objective of the working group is to expand the network of partnership and collaborations. It aims to identify potential organizations, institutions, and individuals who share common goals and values. The group will actively seek out opportunities to establish new partnerships and strengthen existing ones, with the aim of enhancing collective impact and leveraging resources for mutual benefit.

02

Healthy Collaboration and Mutual Respect:

The working group emphasizes the importance of healthy collaboration based on mutual respect. It aims to foster an environment where all members feel valued, heard, and appreciated for their contributions. The group will promote open and transparent communication, encourage active participation, and ensure that diverse perspectives are respected and considered in decision-making processes.

03

Creating a Sense of Value:

The group aims to create a sense of value and importance among its members. It recognizes that every member brings unique expertise, experiences, and perspectives to the table. The working group will implement strategies to acknowledge and appreciate the contributions of each member, fostering a culture of recognition, encouragement, and empowerment.

AIMS & GOALS

04

Inclusivity and Diversity:

The working group is committed to promoting inclusivity and diversity within its membership. It aims to ensure that members come from diverse backgrounds, disciplines, and perspectives, reflecting a broad range of experiences and expertise within prenatal sciences. The group will actively seek to involve underrepresented groups and encourage their participation, fostering a more inclusive and equitable network.

05

Facilitating Networking Opportunities:

The group aims to facilitate networking opportunities among its members. It will organize events, workshops, and conferences where members can connect, share knowledge, and explore collaborative opportunities. The working group will also leverage digital platforms and online communities to enhance networking and information sharing among members.

06

Sharing Resources and Expertise:

The group recognizes the value of sharing resources and expertise among its members. It aims to facilitate the exchange of knowledge, best practices, and resources that can benefit the entire network. The working group will establish mechanisms for members to share relevant publications, tools, and research findings, promoting a culture of collaboration and learning.

AIMS & GOALS

07

Professional Development:

The working group aims to support the professional development of its members. It will organize training programs, webinars, and workshops that enhance members' skills, knowledge, and capacities. The group will also provide mentorship opportunities and facilitate peer-to-peer learning, creating a platform for continuous growth and development.

08

Continuous Engagement:

The group recognizes the importance of continuous engagement to maintain an active and thriving network. It aims to establish regular communication channels, such as newsletters, online communities, and social media platforms, to keep members informed about relevant updates, opportunities, and achievements. The working group will encourage ongoing dialogue and engagement among members, fostering a sense of community and shared purpose.

09

Evaluation and Improvement:

The group is committed to continuous evaluation and improvement of its activities and initiatives. It will regularly assess the effectiveness of its strategies, seek feedback from members, and make necessary adjustments to enhance the overall experience and value for its members. The working group aims to create a dynamic and responsive network that evolves based on the needs and aspirations of its members.

IN SHORT

In our network and membership endeavor,
Trust binds us together, now and forever.

Reliability is our membership bond,
When we commit, we respond and respond.

Collaboration fuels our shared goals,
Building a network, where synergy unfolds.

Openness and respect guide our way,
Valuing each member, day after day.

With regular presence, we strengthen the ties,
Compassion and care, lifting spirits to the skies.

By pursuing these aims and goals, the working group on
network and membership aims to cultivate a vibrant,
collaborative, and inclusive community of partners who
actively contribute to and benefit from the shared
resources, expertise, and opportunities within the
network.
